## SILVAPARK Galtür

### EXPLORING THE WORLD OF MOUNTAINS: SILVAPARK

**Silvapark is Galtür's unique winter sport snowpark. Six sectors offer excellent conditions for skiing, snowboarding and cross-country skiing.**

The Galtür ski area is renowned for its traditional charm. The inhabitants of Galtür have made a conscious decision against mass-tourism in order to maintain a natural and family-friendly ski area in the Austrian Alps. Silvapark is the next stage of this development. With a forward looking concept ski pistes, snow-parks, kids' areas, cross-country ski-tracks and ski tours have been split into six separate sectors. Particular value has been placed on maintaining nature and the mountain landscape in all of its glory.

The "Kids' World" and "Adventure world" sectors have been designed specifically with Kids in mind. "Actionpark" is directed at youths and sporty adults, and at "A place for heroes" practiced freestylers and freeriders are perfectly catered for. The "Ski run paradise" provides optimum conditions to alpine skiers and snowboard racers. The "High & Nordic" sector comprises both ski tours in the upper mountains as well as numerous cross-country ski-tracks.

#### Sector 01: Kids' world

For youngsters and young beginners. SIGGI the mascot accompanies your children through their first snow related experiences. The colourful child-friendly environment and certified children's' ski coaches guarantee playful ski training.

Xtra: magic carpets, simple slalom, wave track, slide, igloo, etc.; no ski pass required!

#### Sector 02: Adventure world

Your children are already experienced skiers. Easy to difficult trails offer spine-chilling stories in the enchanted forest and also lead to the witches cavern. On the "Hunters' Path" nature trail your kids get to know the animals and plants of the region.

Xtra: wave track, small banked corners, tunnels, giant slalom with timing, kids' overtaking track with four lifts
